Plan B Verdict — CFL Construtora

CRITERION	ASSESSMENT	RATING
Delivery Track Record	Multiple projects completed on schedule. No major delays reported. This is a significant advantage in a market where 6-12 month delays are common.	✔ Strong
Construction Quality	Mid-premium finishes and materials. Not luxury-grade but solid and well-maintained. Buyers report satisfaction with build quality.	✔ Good
Financial Stability	Active project pipeline indicates healthy cash flow. No bankruptcy events. However, as a regional developer, more exposed to local downturns.	⚠ Moderate
Buyer Experience	Generally positive feedback on sales process and post-delivery support. Some slower response times on warranty claims vs premium developers.	✔ Good
Market Position	Established but not dominant. CFL competes on reliability and fair pricing rather than brand prestige.	⚠ Moderate
Resale Value	CFL properties hold value reasonably well in the secondary market, though they don't command the luxury premium.	⚠ Moderate

★ Plan B Overall Verdict

CFL Construtora is a **reliable, mid-premium developer** suitable for first-time Santa Catarina investors and rental income seekers. Their consistent delivery record and fair pricing make them a safe choice. Not the right fit for luxury buyers or those seeking maximum appreciation — for those, we recommend premium-tier developers. For conservative investors wanting an established local developer with proven track record, CFL scores well.

✔ **RECOMMENDED** for first-time investors & rental income seekers
